

Manoa Aquatics Website

Description:

Manoa Aquatics is a year-round competitive swim club open to the ages of 6 - 18. The objective of the redesigned website was to create a new, sophisticated feel, as well as inform visitors about the Manoa Aquatics. This project will incorporate a site map, page maps, sketches, digital mock-ups, final layouts, and XHTML and CSS coding.

Welcome to the Manoa Aquatics Homepage!
Manoa Aquatics (MAN) is a year-round competitive swim team. It offers children from the ages of 6 to 18 to participate and experience competitive swimming with other teams from around Hawaii. We are dedicated to the personal growth of each swimmer by having experienced coaches and by also having a variety of starting levels. Our practices are Monday through Friday, from 5:00 p.m. until 6:35 p.m. Feel free to contact Lourdes Whang for more information about joining the team.
Please take the time to browse our home page and learn more about each swimmer, coach(es), the parents, the activities, and the most of all, the team.
If you have any questions regarding this site, or have some announcements or updates you want posted please contact Nadine Owen.

Welcome Parents
Manoa Aquatics is not only dedicated to the success of your child but also the enrollment of our parents. Swimming in Hawaii would be near impossible without the help and support of parents. From helping the bake sale to timing the swimmers, each parent is always welcomed to help out.
Our team parents have annual projects such as potluck, parades, community sales, outer island trips, swim camps and other immense activities. If you are interested in helping out for an up coming event please feel free to talk to any of the board members and parents.

Coaches
 **Larry Oshiro**
Head Coach Larry Oshiro started competitive swimming as a teenager at Palama Settlement and later swam at McKinley High School, under the legendary coach, Harry Mamuzuk. After graduating from McKinley, Larry attended Shasta Jr. College in Redding, California and later the University of Oregon, where he continued swimming.
Larry started to coach swimming at Palama Settlement in 1968 and in 1972, joined McKinley High School staff as a swim coach, of which he is still active in. In 1979, when Harry Mamuzuk formed Manoa Aquatics, Larry was asked to join the club.
