WEBDEVELOPMENT  
final revisions

The collage displays three overlapping web page designs for 'The Catering Connection'. Each design features the company logo and tagline: 'The CATERING CONNECTION "a fullservice off premise caterer" "a fullservice off premise caterer"'. The designs include a green navigation menu with links for HOME, ABOUT US, INFORMATION, MENUS, GALLERY, and CONTACT. The main content areas feature various images: a formal dining table with white linens and flowers, a close-up of a coffee cup and glassware, a collage of promotional materials, and a gallery of food and floral arrangements. Testimonial text is present in several designs, such as: "Your staff was the best. Everything was perfect (and several guests had similar comments)!". The footer of the designs includes the copyright notice: "Copyright©2006 All Rights Reserved. Catering Connection Design and Code by Geoffrey Erese".
