

## :: homeworkassignment

**digitalmultimedia**  
due :: week 6

**homework project:** Video Project

**assignment:** Create a short video using a either existing/found footage, your own footage, or a combination thereof. The video must have a strong concept (ie. a theme, an underlying message, a tagline, etc).

Ideas include:

- A Short Documentary (ie. on a given topic of interest)
- A Short Product Demo (ie. to be viewed from a web site)
- A Short Biographical Profile (ie. an artist profile, an athlete profile, etc.)
- A Short Advertisement (ie. 15 or 30 seconds in duration)

**purpose/objective:**

- To learn how to shoot and edit digital video.

**formats:**

- **H264 .mp4 Online Video File** – url to video file posted on your class web page.
  - Export Setting: H264 .mp4 file
