Guided Pathways

- Students perform better when presented with clear, focused pathway toward their goal
- Pathways avoid random walks through curriculum with resulting “excess” credits and time to degree
- Meta-majors help students select their ultimate path
- Students will likely change paths
- Paths should be focused on student’s ultimate goal which might be transfer baccalaureate

50

UHCC System 2015-2021

Guided Pathways

- STAR is being transformed into a tool that can guide the student’s registration into their selected pathway
- STAR-based registration and its related information will also inform colleges of student demand and student roadblocks
- Registration interface is being completed this Fall
