Aloha Students,

The Maida Kamber Center will present this free workshop tomorrow:

Career Exploration
Thursday, February 23
12:15 - 1:15 PM
Lama 118

Exploring potentially satisfying careers is an important aspect of your experience at Kapi'olani Community College. This workshop will help you to learn more about yourself and the world of work. You'll be introduced to valuable career exploration resources, and begin to explore your career options and interests. This is a great opportunity for undecided students to explore possibilities and for declared majors to learn more about careers in their field!

All are welcome. No RSVP required. Hope to see you there!

Best wishes,
Maida Kamber Center Counselors
