## NSO Part III Alternative

Aloha First-Year Student!

It looks like you missed your Mandatory New Student Orientation (NSO) Part III at the beginning of January. The due date for your alternative activity form is March 30, 2017 by 3:00 PM (see attached).

There are SOS Workshops that you can attend to remove your New Student Orientation Part III hold which was placed on your UH account at the beginning of the semester. You must attend at least THREE Secret of Success (SOS) Workshops or your hold will prevent you from registering for Fall 2017.

Please print out the form and attend your three workshops, get it signed by the presenter and then bring it back to the FYE office in 'Iliahi 231. Once we receive your form with three signatures, we will remove your registration hold. Please be respectful of the presenters time, by attending all workshops on time and with your full attention.
