COMMUNITY COLLEGE

Rachel Lands,

Congratulations!

You've made a very smart decision to attend college, and we're glad you chose us. I want to be the first to congratulate you on becoming a Kapi'olani Community College (KCC) student.

To confirm your enrollment at KCC, the following two steps are required:

- Create your [UH Username](#)
- Complete the [Intent to Enroll Form](#)

If you do not complete these two steps above, we will assume that you decided not to enroll at KCC and will not send any further communications regarding your next steps.

For more information, email kapstart@hawaii.edu or call 808-734-9245.

I look forward to seeing you on campus.

Brenda Ivelisse, Ph.D.,
Vice Chancellor of Student Affairs
Kapi'olani Community College
