Responsible Office: Office of the Vice President for Community Colleges
Governing Board of Regents Policy: N/A
Review Date: February 2021

I. **Purpose**

To provide a formal, independent voice and organization through which the Native Hawaiian constituencies of the University of Hawai'i Community College (UHCC) system can participate in the development and interpretation of systemwide policies and practices as they relate to Native Hawaiian programs, activities, initiatives, and issues. The Hawai'i Papa O K Ao (HPOKA) report articulates the University's vision to meet its mission of being a model indigenous serving institution. The UHCC Strategic Plan commits the UHCC to implement the recommendations of HPOKA in areas of leadership development, community engagement, and Hawaiian language and cultural parity. The role of Native Hawaiian governance is to advise the Vice President for Community Colleges (VPCC) on matters related to the community college system. The campus Native Hawaiian Council fulfills this role with the Chancellor and college governance.

If Native Hawaiian Chairs require further discussion and information on complex and/or major issues, the action/decision can be deferred until information can be disseminated and consultation conducted at the respective campus(es). However, if an issue brought to the CCCNHC for discussion and consultation requires an immediate decision to allow the VPCC to act in the best interests of the community colleges, the Native Hawaiian Chairs shall have the authority to vote in the best interest of their campuses.

C. The CCCNHC shall NOT be used to:

1. Consider matters that are the purview of a campus. These matters should be considered by the respective Chancellor using normal campus governance and communication policies; and
2. Consider matters that are the exclusive purview of collective bargaining.

D. Membership

1. The CCCNHC shall consist of the chairs of the Native Hawaiian Council from each of the seven community colleges. If a chair cannot attend a meeting of the CCCNHC, he or she may send another member of the Council as proxy.

D. Chair

1. One CCNHC Chair will be selected from the community college Native Hawaiian Council chairs at the first meeting of the academic year.

2. At the first meeting of each academic year, each campus' Native Hawaiian Council will send their outgoing, incoming, and continuing representatives to the CCCNHC meeting.
3. Minutes of the meetings shall be posted on the community college and the CCCHNC web sites.
