1. Terminal application located in Applications folder in Utilities (as the mac comes installed).

2. Double-click on Terminal

3. At the prompt “your login%,” type:

   \texttt{ssh (space) yourlogin@ssh.hcc.hawaii.edu}

4. Hit Return

5. Type in your HCC password

6. Hit Return

7. Type in “pine” and hit Return.
You are now in Pine. Use it as you always have, including Quit and Logout.

When you are finished, go to Terminal and choose Quit Terminal.
