Location of event: Pacific Missile Range Facility Kauai, Hawaii

Grade level or age range and number of participants: *(If you are able to break down the participants into grade levels: PreK-4, 5-8, 9-12, and 12+, this will be helpful.)*

9-12: 45 students and families

12+ : 16 some students but also range officials (i.e, XO of the base, RSO, LCO, FSO) Also special guest... Bernard Carvlho, Mayor of Kauai, Local rocketry club also attended to "show off" some of their hard work and what the student can one day aspire to.

Are the participants with a special group/organization (i.e. Girl Scouts, 4-H, school)? Yes

If yes, what group/organization? Kauai High school and families

Briefly describe your activities with this group:

This is a two part installment... next one will be in Feb. Students built and launch model rockets. As students are learning about aerodynamics, and CP/ CG calculations it is being applied to their final science grade in school.

Did you conduct an evaluation of your educational engagement? If so, what were the results?

No evaluation of educational engagement was done.
