Re: Administrative Evaluation

Among the duties of the Faculty Congress is to evaluate our Chancellor and Vice-Chancellors. We are inviting you to participate in the evaluation of these administrators.

For each administrator there is a set of questions based on their published duties and responsibilities. In addition to these questions there is a global question. Using the enclosed scantron form, please rate each administrator’s performance in a scale of 1 to 5. Please include comments on a separate sheet of paper. Place the scantron form and comment sheet in the smaller envelope and then place the smaller envelope in the larger return envelope. Print and sign your name, indicate your department/division, and return to Barbara Leonard, Faculty Congress Secretary, by October 19, 2009. All replies will be confidential. Use this scale in rating the performance of the administrators:

• (a) = very poor/strongly disagree;
• (b) = poor/disagree;
• (c) = average/neither disagree or agree;
• (d) = good/agree; and
• (e) = very good/strongly agree) in each of the items.

If you have no opinion or basis for answering, please do not answer the question.
