Background:
Pursuant to Board of Regents Policy, Chapter 6, section 6-3c, the following fee has been established by the Board of Regents:

"Transaction and service fees, which may be assessed to users of selected services as a means to offset all or part of the cost of providing the service or as a result of other directly related costs incurred to the institution"

Transaction and Service Fees include diploma fee as well as transcript and associated rush fees.

Presently, University of Hawai‘i Community College (UHCC) students are required to pay a graduation fee upon completion of requirements for University of Hawai‘i academic credentials, including certificates and degrees. The fee provides students with one diploma and one diploma jacket.
The proposed matriculation fee will be charged to the student upon entering the UHCC system through one of its seven college campuses. The fee will cover or diploma, one diploma jacket, and lifetime copies to transcripts and/or to confirmation of enrollment document. Campuses may continue to charge an additional fee to process rush requests or if students wish to have additional diploma(s) and diploma jacket(s) but there will be no cost for the transcript or enrollment document itself.

Students will pay only once at the first point of entry into the UH Community College system. Students will not be charged the same fee if they choose to transfer to another UHCC college or if they choose to stop out and return at a later date.

REQUEST:
Tie to student ID no. so pay only once

Action Requested:
The University of Hawai‘i Community College system requests approval to substitute the graduation fee with the matriculation fee.

B. Background and Purpose:

There has been some misconception as to the purpose of the "Transcript and Diploma Revolving Fund," which was established by Act 189, Session Laws of Hawaii, Section 3, in 1974. This fund may not be used for any purposes outside of those authorized by statute.

This fund is specifically "to defray the cost of transcripts and diplomas," and is to come from the collection of "charges made for transcripts and diplomas or through transfers from other accounts of funds." (304-8.3) One Dollar ($1.00) may be assessed for each transcript sent out of the University of Hawaii System (4524).

The April 14, 1966 BOR approved "graduation" fee must be deposited and used only for those purposes authorized for the Transcript and Diploma Revolving Fund.

   c. assesses transcript and diploma fees within Business Manual Instruction
(BMI) and Board policy.

d. authorizes fund expenditures for the following purposes only:

1) **for diplomas and transcripts:**
   
a) application forms

[304-8.3] Transcript and diploma revolving fund. There is established a revolving fund for transcripts and diplomas which shall be used to defray the cost of transcripts and diplomas and which shall be replenished through charges made for transcripts and diplomas or through transfers from other accounts or funds. [L 1974, c 189, 3]
The Regents approved the following adjustments relating to student fees at the Community Colleges, to be effective September 1, 1966:

1. That fees be collected on a semester rather than on an annual basis.

2. That fees for audio visual, book rental, library physical education and health, and science eliminated and that a registration fee of $5.00 be established.

3. That fees not to exceed $5.00 per semester authorized for student activities.

4. That a graduation fee not to exceed $5.00 be authorized.

5. That the following new fee structure be adopted:

<table>
<thead>
<tr>
<th></th>
<th>1st Semester</th>
<th>2nd Semester</th>
<th>Year</th>
</tr>

<tbody>
<tr>
<td>Basic course fee</td>
<td>$15.00</td>

<td>5.00</td>
</tr>
<tr>

</tbody>
</table>

6. That a late registration fee of $2.00 and a course change fee of $1.00 be authorized.

7. That one-half of all fees paid by a student be refunded if a student officially withdraws within the first four weeks of the semester; and that after the first four weeks, there shall be no refund.
1. **When will students be charged the matriculation fee?**
Students will pay only once at the first point of entry into the UH Community College system.

2. **Will students be charged this fee if they stop out? Transfer to another community college?**
No, the fee will be attached to the students’ UH ID number, so they will not be charged multiple times.

3. **What will happen if a student earns multiple certificates?**
If a student wishes to have an additional printed certificate, the campus may charge a minimal fee to the student for the printing of the additional document. If the student wishes to have multiple diploma jackets, the campus may charge the student for the additional diploma jacket. It is recommended that all campuses develop the same fee schedule for these additional charges.
