WHEREAS, THE FACULTY SENATE OF KAPI'OLANI COMMUNITY COLLEGE ON THIS 1ST. OF MAY IN THE YEAR 1995, AFTER PROPER ACADEMIC DISCUSSION AND DEBATE, RECOMMENDS TO JOHN MORTON, PROVOST, THE FOLLOWING MOTION:

The Faculty Senate of Kapi'olani Community College endorses the following recommendation of the Faculty Senate Budget Subcommittee.

The Faculty Senate Budget Committee recommends that additional computer and telecommunications staff be hired to provide critically needed support to assist faculty and students to make productive and appropriate use of technological based learning methods. The continued dependence on temporary and student help to provide such services is inefficient and highly restricts the Computing Center's and Media Center's abilities to provide adequate services to current and emerging users.
