

# Overview of Laulima

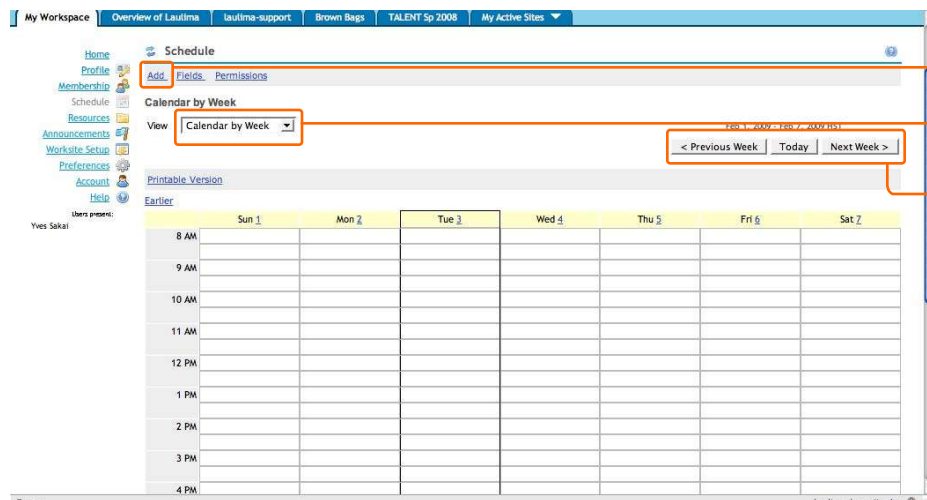

## My Workspace - Membership Tool

The Membership tool shows you which sites you are associated with. If you are looking for a site that is joinable, you can use the “Joinable Sites” link in this tool.

## My Workspace - Schedule Tool

Using this tool you can see any scheduled events your instructors/group leaders setup in their courses (if they use their Schedule Tool in their sites, or create your own personal events). This tool is associated with the Calendar Channel on the home page of My Workspace.

Add - Allows you to add an event to the schedule

Pull down menu to change view of schedule

Buttons to navigate through schedule

# Overview of Laulima

## My Workspace - Resources Tool

The Resources tool is an area where you can upload files for your personal use. This tool will be touched upon later in this handout and in more detail in a separate handout (and TALENT workshop).

The screenshot shows the 'Resources' page in the Laulima system. The interface includes a left sidebar with navigation links (Home, Profile, Membership, Schedule, Resources, Announcements, Worksite Setup, Preferences, Account, Help) and a main content area. The main area has a 'Resources' header and a 'Site Resources' section. Below this, there's a 'Location' dropdown set to 'My Workspace' and a list of resources. The resources are displayed in a table with columns: Title, Access, Created By, Modified, and Size. Annotations with orange boxes and lines point to specific features:

- Files can be arranged in folders or stand free (points to the 'Stuff' folder icon).
- Add pop-up menu, create folders, files, upload files (points to the 'Add' button).
- Actions pop-up menu, copy, paste, edit folders and files (points to the 'Actions' button).

Title	Access	Created By	Modified	Size
Stuff				
testfolderimages				
Word Work File D-1.doc	Entire site	Yves Sakai	Oct 19, 2008 3:22 pm	1 Item

	Entire site	Yves Sakai	Mar 24, 2008 8:26 am	79.4 KB

## My Workspace - Announcements Tool

This tool allows you to see any announcements from the sites that you are affiliated with. This is helpful since the Announcements channel only displays a certain amount of announcement messages. Clicking on the announcement title shows the body of the message.

The screenshot shows the 'Announcements' page in the Laulima system. The interface includes a left sidebar with navigation links (Home, Profile, Membership, Schedule, Resources, Announcements, Worksite Setup, Preferences, Account, Help) and a main content area. The main area has an 'Announcements' header and a list of announcements. The announcements are displayed in a table with columns: Subject, From, Site, Date, Beginning Date, and Ending Date. The table shows 10 items, with a 'show 10 items...' link and navigation arrows.

Subject	From	Site	Date	Beginning Date	Ending Date
test from sak23	Kenwick Chan	Maui Demo A	Jan 21, 2009 12:53 pm		Feb 20, 2009 12:00 pm
