The purpose of this Agreement is to facilitate the transfer of students in the Associate in Science (AS) in Mobile Intensive Care Technician at Kapi'olani Community College (KCC) to the Bachelor of Arts (BA) in Public Administration at the University of Hawai'i-West O'ahu (UHWO) under the Mānanawai Program (dual admission and dual enrollment program). Students in good standing in the AS in Mobile Intensive Care Technician program at KCC and who meet UHWO's admission criteria are eligible for admission to UHWO. Under the terms of this agreement, qualified students may transfer as classified students to UHWO's BA in Public Administration with a concentration in Disaster Preparedness and Emergency Management or Health Care Administration.

Requirements for both the AS degree and the Bachelor of Arts in Public Administration degree are provided as attachments and form the basis for this agreement. Subsequent changes to the curricular requirements of either program may require revisions to this agreement. In order to maximize the numbers of credits that will meet the BA requirements, students interested in pursuing this program should complete the UHWO transfer requirements as stipulated by Attachments IA through IC.

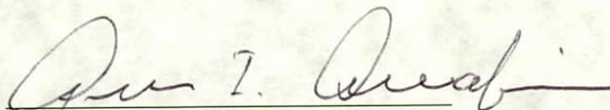

Under the terms of this Agreement, the University of Hawai'i-West O'ahu agrees to:

1. Identify an academic advisor(s) at UHWO who will partner with KCC's advisor(s) to ensure timely and accurate advising information on pre-admission, admission, degree requirements, and other related advising information.
2. Identify a UHWO faculty member who will serve as the faculty advisor to students who are part of the articulation.
3. Meet with KCC faculty and/or administration on an annual, or as needed basis, to discuss potential and planned curricular changes.

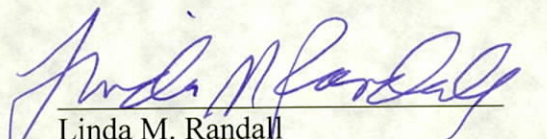

Under the terms of this Agreement, Kapi'olani Community College agrees to:

If both parties consent to the termination of this Articulation, KCC students who have entered the AS in Mobile Intensive Care Technician program by Spring 2010 will have the option of transferring to UHWO to fulfill the BA in Public Administration with a concentration in Disaster Preparedness and Emergency Management or Health Care Administration Articulation option requirements, contingent upon courses being offered.
