Hawai‘i Pacific University enrolls over 8,000 students and may represent a relatively large, unknown proportion of the Kapi‘olani transfers. Of the 8,621 student records submitted to the NSC, 886 students had no response data available. An additional 20 records were blocked by the students. The NSC reports transfers to all participating institutions, but the current brief only reports transfer institutions with at least three former Kapi‘olani students.
