1. Title: Faculty Confidence and Engagement Survey (FaCES): Assessing how well the Center for Excellence in Learning, Teaching and Technology professional development programs are addressing the professional development needs of faculty at Kapi'olani Community College.

Primary Investigators:

Assoc. Prof. Susan B. Inouye, 734-9708, inouye@hawaii.edu

Prof. Leigh S. Dooley, 734-9703, ldooley@hawaii.edu

4303 Diamond Head Road

Honolulu, HI 96813

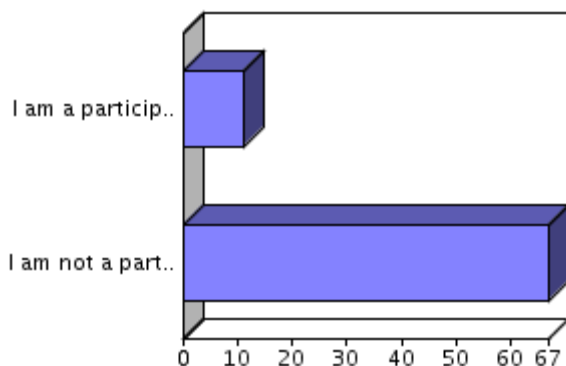

The CELTT professional development programs are assessing how well the professional development needs of faculty at Kapi'olani Community College are being addressed. We would appreciate if you would take ten to twenty minutes to complete this survey. Your responses will be treated with complete anonymity. If results are published, only coded data will be used and will not be traceable back to your responses.

The CELTT Professional Development Leadership Team, as a result of this survey, will identify needs, set priorities, and initiate plans for improvement and sustainability of activities overseen by CELTT. This survey may be administered more than once to track program effectiveness for individual programs.

If you have any questions regarding your rights as a research participant, please contact the UH Committee on Human Studies at (808)956-5007 (808)956-5007, or email them at uhirb@hawaii.edu. Please print a copy of this consent form for your records.

By clicking the START button and submitting this survey online, you certify that you understand the above and you agree to be a part of this study with the understanding that this does not take away any of your rights.
