

An aerial photograph of a coastal region. A prominent, winding road or path runs diagonally across the frame, starting from the bottom left and curving towards the top right. The terrain is a mix of light tan and brownish-yellow, suggesting a dry or semi-arid environment. A river or stream is visible, winding through the landscape, particularly in the upper right quadrant. The overall scene is a natural, rugged landscape.

Pathways to Student Engagement and Success

Kahikoluamea Department Meeting - October 20, 2008

An aerial photograph of a coastal area. A winding road, likely a highway, curves through the landscape. To the right of the road, there is a large, prominent building with a complex roof structure, possibly a government or institutional building. The surrounding terrain is a mix of light brown and tan colors, suggesting a dry or semi-arid environment. The overall scene is captured from a high angle, providing a clear view of the road's path and the building's location relative to the coast.

Student Success Pathways

From Holomua to Kahikoluamea

- ***Kahikoluamea Department***: proposed as part of the Reorg Plan.
- One of the key features of Pathways is to build upon the Holomua model to create ***Pathway First Year Academic Academies***. ***Kahikoluamea*** will operate these Pathway FY Academies so that they parallel and transition students into the ***Academic Clusters***.

- ***Kahikoluamea*** will also **consolidate resources** [i.e., Holomua merger with *First Year Experience* (FYE) and *Malama Hawai`i*] in order to increase educational practices that ***engage students*** and raise their levels of persistence and achievement at the college.

Student Success Pathways

From Holomua to Kahikoluamea

- The proposed Department will improve the ***alignment of resources and services*** that match the College's mission and purposes to the needs of entering students: e.g. by incorporating ***Kuilei***, a high school to college transition program, into Kahikoluamea in order to align services that previously reported to different offices.
- ***Kahikoluamea*** via the ***Pathway FY academic academies*** addresses the needs of all 1,539 entering new students, not just those who are academically underprepared.
 - In ***collaboration*** with academic clusters and student organizations and activities, this department will serve students **beyond** those who need remedial/development courses.

Student Success Pathways

Kahikoluamea Pathway FY Academic Academies

- The Pathway FY Academic Academy is designed to:
 - *Contextualize* basic and developmental skills instruction so as to *increase student motivation* and improve student learning outcomes;
 - Include a variety of required *student engagement activities* that contribute to student development and success;
 - Develop a *collaborative partnership* with major academic cluster faculty to develop a learning community involving an introduction to a field of study course and college-ready courses; and
 - Develop a greater *sense of place*, community, and connectedness to a field of study (Academic Clusters) and to KCC.

Student Success Pathways

Kahikoluamea Pathway FY Academic Academies

- Pathway FY Academic Academies also provide an organizing framework for the *College Success course 103*, i.e.:
 - Personal Learning Plan/degree pathway development;
 - eportfolio
 - Career exploration
 - Supplemental Instruction
 - Hawaiian Values and concepts integration e.g., through the Kahikoluamea Community of Practice
 - Service Learning
 - New student orientation
 - Counseling and advising
 - Social networking
 - SOS workshops and activities
 - Peer mentoring and tutoring
- Pathway FY Academic Academies allow students to start their majors while completing college-ready courses (remedial/developmental skills requirements).

Student Success Pathways

Kahikoluamea: Possible Students' Benefits

- Students can benefit from the Pathway FY Academic Academies of Kahikoluamea by:
 - Meeting college-ready skills *requirements*;
 - *Obtaining credit* for a course in a major as they develop a Personal Learning Plan/Degree Pathway;
 - Taking *college-ready courses* that are related to their major; and
 - Participating in focused student *engagement and success activities*.

Student Success Pathways

VI. Elevating Developmental Education - Kahikoluamea:

- 1. Creating a *learning space* that fosters community and encourages concern and passion for collaborative and active learning and teaching *to enhance student engagement and success* and to allow for the changing needs and expectations of students, faculty, and staff;
- Creating and implementing *pre-enrollment, retention, and persistence strategies* that identify and remove barriers to student success in order to ensure students' transition into one of the Academic Clusters' degree pathways.

Student Success Pathways

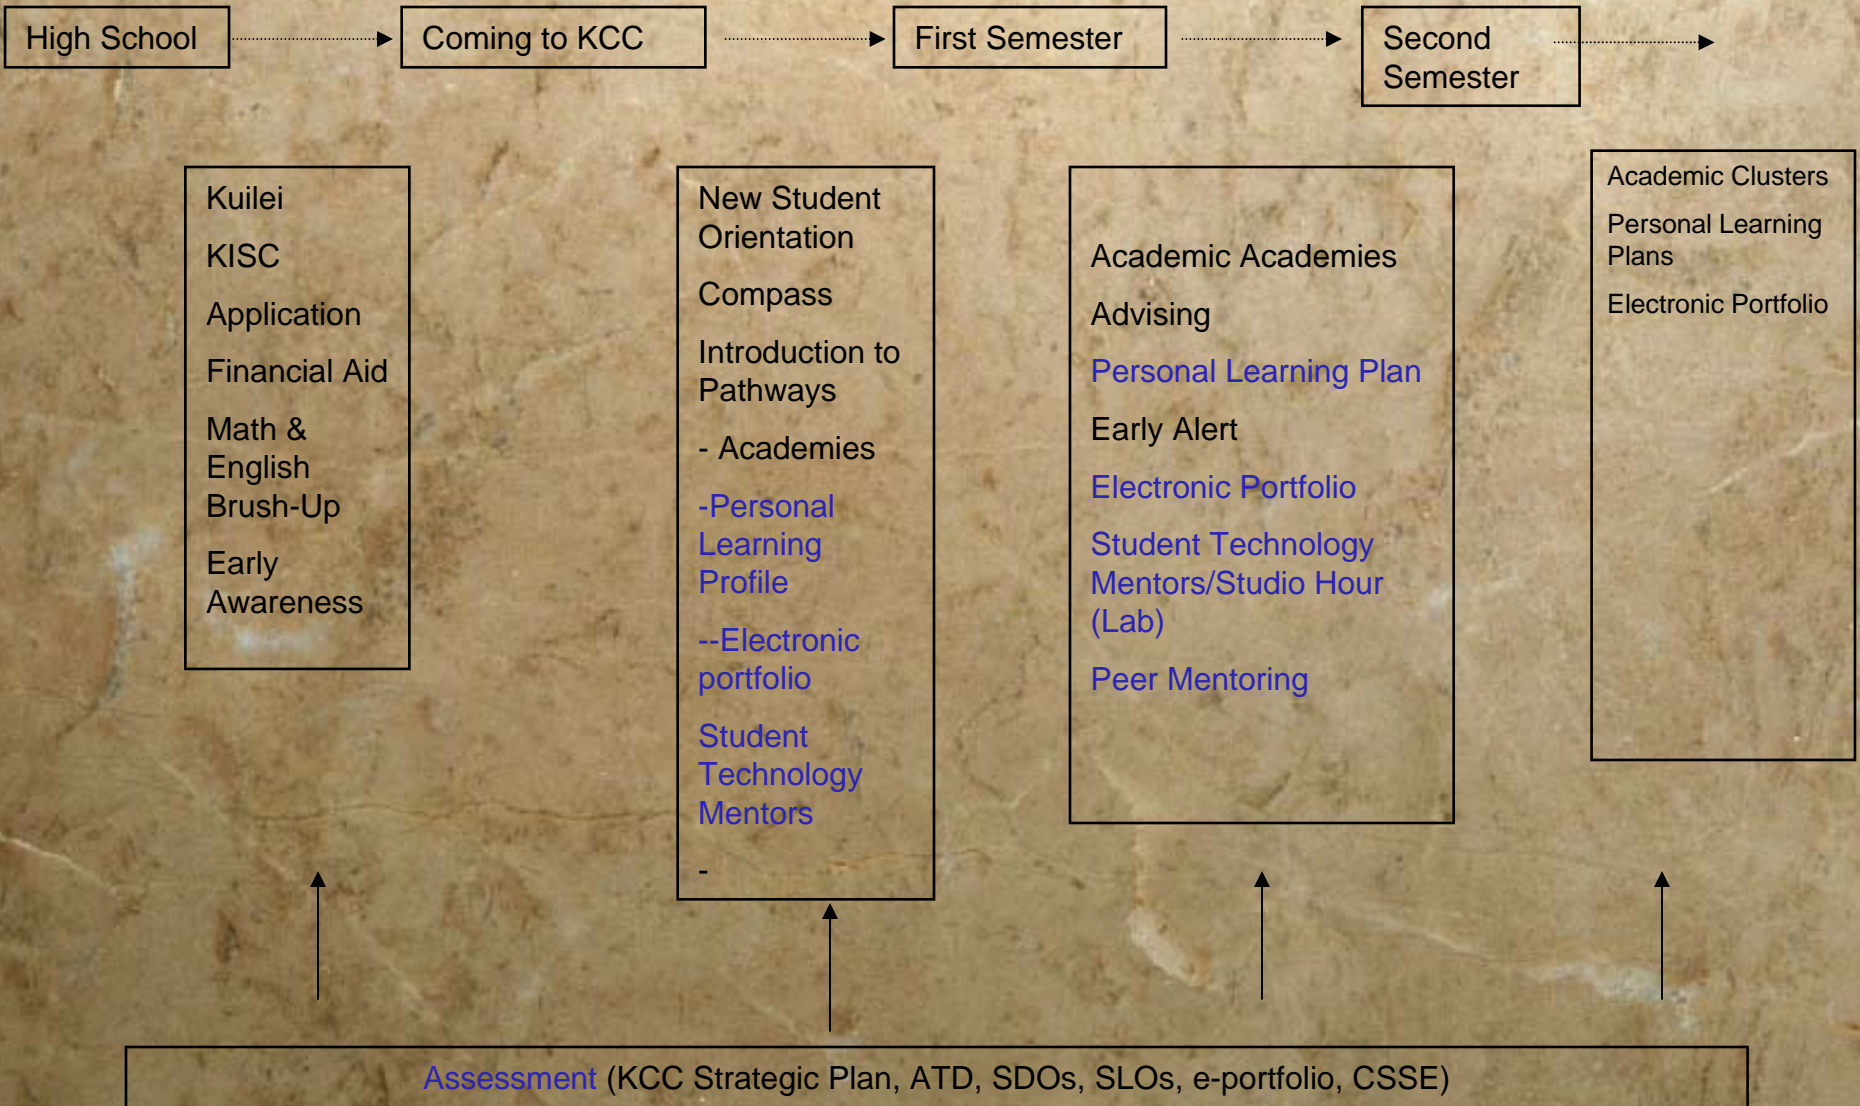

Elevating Developmental Education - Kahikoluamea:

- Creating a cohesive and comprehensive program that features:
 - *Pathway FY Academic Academies* that lead to academic clusters;
 - Use of content material from various majors *integrated* into developmental Math and English courses and assignments;
 - Early development of *eportfolios* as a means to evaluate one's work, one's self, one's learning, and one's goals;
 - Early exploration and evaluation of academic and career goals through *pathways* established by the College; and
 - Use of and integration of our *host culture's values and concepts*, and "sense of place," in instruction, counseling & advising, and student engagement activities, thereby honoring our host culture while being enhanced by it.
