Waianae**

**Partners
in providing
educational
opportunities
to the
students of
Waianae
through
coordinated
“one –stop”
service.**

KCC Nurse Education Satellite Program (NESP)

- KCC Commitment

- Health Instructor/KCC Site Coordinator (with assistance of KCC Health Sciences Counselors):

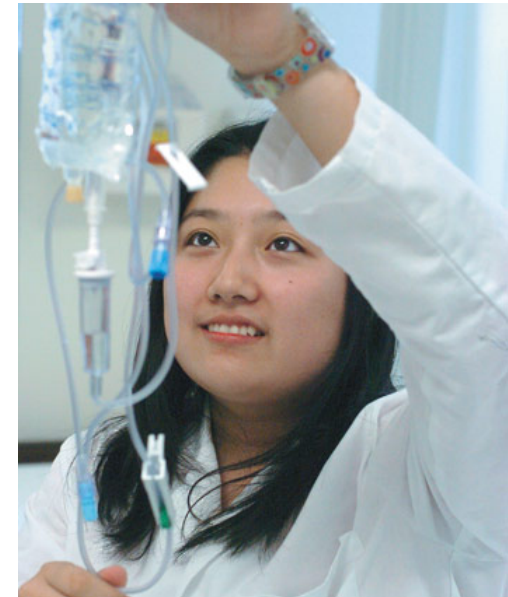

- Serve as the primary contact for all Nursing and Health Sciences course and program information in the Leeward area.
 - Assist in planning of the NESP at LCC and WHA
 - Teach nursing and other health-related courses
 - Review, collect, organize, & forward applications to KCC Kekaulike Student Services Center

KCC Nurse Education Satellite Program (NESP)

Health Instructor/KCC Site Coordinator (cont):

- Coordinate course offerings and programs in collaboration with KCC Nursing and Health Sciences Dept. Chairs
- Provide updates and in-service to LCC-Waianae Satellite staff
- Attend the WHA Board Meetings - provide information on the progress of Nursing and Health Education majors; represent Nursing and Health Education Departments
- Provide leadership as co-leader with LCC-Waianae Satellite Academic Coordinator of CC team supporting WHA

KCC Nurse Education Satellite Program (NESP)

- Health Instructor/KCC Site Coordinator (cont)
 - Program specific advising (face-to-face or electronically)
 - Provide updates and in-service to LCC-Waianae Satellite staff as needed
 - Assist Dept. Chair in recruitment of appropriate faculty for course instruction

KCC Nurse Education Satellite Program (NESP)

- Leeward Community College
 - Provide “one-stop” student support services to its Waianae Satellite campus by providing all aspects of student support starting in Spring 2008, e.g.,
 - Registration
 - Counseling
 - Academic Advising
 - Remediation

KCC Nurse Education Satellite Program (NESP)

- In addition LCC-Waianae Satellite program should:
 - Assist in the recruitment of students in the Leeward community for courses and programs offered through the WHA
 - Assist the LCC Waianae-Satellite counselor in recruitment visits to Waianae and Nanakuli High Schools
 - Develop and offer support activities and groups (e.g., Access to College Excellence) for prospective and admitted students
 - Serve as representative to the Perkins IV project (Health Services Career Pathway) articulating DOE and KCC health care courses and programs

KCC Nurse Education Satellite Program (NESP)

- LCC-Waianae Satellite program should (cont):

- Participate as a postsecondary representative in Health Occupation Students of America (HOSA) activities and assist in the establishment of a postsecondary HOSA chapter in Leeward Oahu for prospective and admitted students

- Support the academic advising duties of the Health Instructor/KCC Site Coordinator by providing course and general program information, and reviewing applications with the KCC Site Coordinator

- Coordinate prospective student visits to KCC Campus

- Attend and provide Program updates at the Waianae Health Academy Board Meetings

KCC Nurse Education Satellite Program (NESP)

- Waianae Health Academy should:

- Recruit students in a timely manner according to the schedules developed by KCC and/or LCC

- Work with KCC Health Instructor/Site Coordinator and LCC staff and counselors to assure each student has participated in developing a pathway comprised of courses necessary to prepare them for access to the nursing and health sciences programs and success in these programs

- Work with KCC and LCC faculty and staff to assist in their acclimation to the Waianae area and its students
