How “Not To Send” Me A Laulima Email

When you compose a message do NOT select to send it to my “other” email address (my hawaii.edu account).

I get two emails from you that way. **And it won't result in an earlier reply.** I cannot even reply to you from my normal UH email account.

I'm not trying to be difficult, just explaining to you that it will NOT result in an earlier reply from me and it simply fills up my “other” email inbox with **messages to which I cannot even reply!**

Very Respectfully,
Michael
